How to Choose Jewelry Sizes.

Ring Sizes. To assure a proper fit, ring sizers are located below. Cut out sizer along dotted line. Wrap it around finger on which the ring will be worn. The arrow will indicate the correct ring size. Then specify the size you want for each ring in the "Size" column on the order form.

Wrist Sizes. Measure around the wrist to the nearest half inch using a string or measuring tape. Compare measurement to the size information listed for the product you wish to order. Indicate size Small, Medium or Large in the size column.

PERFECT FIT IS GUARANTEED. If the jewelry does not fit when you receive it, you may return it for replacement.
